Greetings in Christ!

This is an abbreviated edition of the Christ Serve Ranch e-news.

"In the beginning..." Those three words begin God's word. They are unmistakable in their source. Most Christians need only hear them and they immediately know where they can be found and what follows. Sometimes those of us who are focusing on Creation-Science focus so hard on the fact of Creation that we forget about the act of Salvation. We want to assure you that for us Creation begins and ends at the cross of Jesus Christ. We see Christ's crucifixion and resurrection through the truth of a loving Creator who created a perfect world and gave it to man and woman, created in the Creator's image. We see Creation as that gift that we lost when we fell into sin, but which has now been given back to us through the sacrifice of God's own son. And, we know that God's love, as demonstrated in Creation, has been given to us time and again every day through the forgiveness we receive.

Our prayer is that you will enjoy God's Creation over the next few days as you spend time with family and friends, with fellow worshipers, and with Christians throughout the world as we celebrate our impending return to a perfect relationship with our Creator, thanks to Christ.
