# Our 2010 Wyoming horseback and creation expedition

## Wyoming Expedition 2010

Join us for our first Wyoming expedition. This unique event combines our Horse Outreach Program and our Creation-Science Program. Campers will travel to Riverton, Wyoming where they will spend nearly a week riding, working, and serving at the Cameron Ranch, a working cattle and sheep ranch.

In addition to studying God's creation from the back of a horse, campers will also take several side trips to some of the unique settings in Wyoming. Plans include trips to the Wyoming Dinosaur Center, the Green River, and to a research center. These are excellent resources to visit.

Campers will be staying at the Wind River Heritage Museum, site of the famous 1893 Rendezvous. The local Mountain Men group have agreed to provide us with our own rendezvous with knife and hawk throwing, tracking, and more. We'll also hear about

trapping and pioneer life.

We'll be at a Cameron Ranch.

## The Program Schedule

Campers should arrive at Lutheran Island Camp by 11:00 am on Saturday, July 3. We'll have lunch here then leave by 1:00. We will be traveling in our min-bus or in vans. Plans are to travel to Bismarck, ND the first day and stay at a local church that evening. On Sunday we'll worship together, then travel the rest of the way to Riverton.

Monday-Thursday we will be riding out on various trails, working at the ranch, and taking some side trips.

Friday morning we'll pack up and start heading back to Minnesota. We plan to do some sightseeing along the way and will be staying at a church again. We plan to arrive back at Lutheran Island Camp by mid-afternoon on Saturday. Campers may stay at camp until Sunday noon to enjoy the camp's facilities.

What to bring: We'll provide a detailed packing list for those who sign up. Campers will want to keep items to a minimum. You'll also want to bring spending money for one meal on the way out and one on the way back, for souvenirs, for snacks, and for admission to exhibits. We'll provide more details as we get closer.

Dates: July 3-10

Cost: \$975 with a \$100 non-refundable deposit.

Ages: We prefer 15 and older. We will consider

younger campers if accompanied by an adult. We are open to having post-high school campers, groups, and families.

Limit: We need to limit participation to 12-13 campers. If there is enough interest, we may schedule a second trip.

Because of the costs to Lutheran Island Camp we are unable to offer discounts or camper-ships.

Deadline: We need to have your registrations by April 15. After that date, please call before registering.
